00+ Unique Certified Courses Available In Your City

Explore courses.

## Our experts have been receiving daily industry insights from the EMEA region for well over a decade.

Along with leading global associations and academies, we've used this information to adapt our teachings to regional needs. You'll gain an exceptional learning experience that will boost your competencies according to the most required standards of today.

#### And not only that...

In fact, when opting for LEORON, you're going for an opportunity that lets you choose among 60+ attractive destinations and hundreds of premium venues, helps you meet and network with leading professionals from the region, and learn from today's most prominent global experts in 15+ industries. Have a look at the future you; have a look at LEORON.

## Our training approach includes:

- Fluid lectures by unchallenged global mentors
- Contemporary AV and printed learning content
- Simulated exams per each topic and exam solutions
- Learning exercises and best practices from the field

## Advantages of Public Courses

#### Comprehensive

Wide range of dates and locations that enable you to choose according to schedule.

## Networking

Meet with leading names from across the industry.

## Certified

All our courses are certified by leading world academies, such as ASQ, LSBF, PMI, IIA, HRCI, APICS, ILM, IACCM and many more.

## Established by Experts

World expert trainers that engage you in participative and cooperative training.

## **Attractive Destinations**

Choose from one of our 60 global destinations, such as: Dubai, Abu Dhabi, London, Paris, Jonkoping, Riyadh, Almaty, Barcelona...

# Kahoot!

Enjoy gamified learning, assessment tools, and better engagement with our Kahoot! – powered content.

## LIVE Virtual Training

## **Benefits** LIVE Virtual Training

## Simple Set-Up

Easy registration through email.

## Engaging

Knowledge retention with in-session activities.

## **Tech Support**

Dedicated host to ensure that everything runs smoothly.

## Convenience

Attendees can join training sessions from their mobile or desktop device.

## Interactive

Live video interaction among participants and instructors. Built-in chat to exchange messages individually or with the group.

## Live Broadcasting

Students see PowerPoint slides in a split-screen to follow along with the instructor.

## Course Content Sharing

Learning materials and additional reading resources, case studies and exercises available for all participants as PDF. Reap the Benefits of F2F Learning Online

LIVE VIRTUAL

Real-Time, Instructor-Led, Online Learning

With online learning expanding throughout Academia and beyond, we have implemented our Live Virtual Training to stretch your learning experience past the boundaries of location – presentations are interactive, conducted live at a scheduled time throughout a week, mimicking our public courses both in content and quality.

By logging to a virtual classroom, students participate in an interactive course, using our audio-visual online training platform. Our blended learning approach combines virtual classroom methods with online activities to form an integrated instructional approach. Upon successful completion, you can earn the appropriate designation, as well as learning credits and LEORON certificate of attendance.

## **In-House Courses**

see why teams of all sizes enjoy our training solutions. The Next One Can Be Yours.

Fully customized according to your needs!

## Time, Venue, and Content Entirely Up To You

Our in-house programs are meant for clients who choose to train their people, in their location of choice, at their preferred schedule. We'll fly our trainers and our materials to your premises, securing you a custom-made, costefficient learning experience. We'll even break down an in-house and let you choose further:

## Customized

Bespoke

## L3RN Channel

# The Very First TV Show to Cover the Learning Industry

L3RN Channel is a LEORON Institute-backed TV project focusing exclusively on the learning industry.

Set in a professional studio surrounding, the show streams 4 times a week via LinkedIn LIVE from the premises of our own studio.

More than 60 guests have been featured on L3RN Channel to date, including executives and high-profile managers from companies such as Aramco, NAJM Company for Insurance Services, TDRA, Kahoot! and more.

The show seizes current events from the EdTech and Training spectrum across the Middle East, Europe, and the US – shedding light on some of the most common learning and development challenges of today's enterprises and their training needs.

Featured experts have commonly addressed topics related to improvements, ideas, and strategy within the industry – making L3RN Channel the number one information hub for field professionals.

The show aired its pilot episode on the 7th of February, while 14 consecutive seasons with 56 episodes followed by June 2022, gaining the attention of more than 40.000 viewers in its first running year.

Through extensive expertise in Financial Management, Risk, HR, Operations, Business and Strategy, IABFM ensures that our management certificates impact the career of professionals and help companies to improve their operations and increase their overall profitability.

Founded in 1969, PMI delivers value for more than 2.9 million professionals working in nearly every country in the world through global advocacy, collaboration, education and research.

Infraspection Institute are the oldest independent infrared training and infrared certification firm in the world. Since 1980, Infraspection Institute has provided infrared training, infrared certification, and support services for thousands of thermographers worldwide. Infraspection Institute has trained and certified over 10,000 thermographers worldwide. We publish software, Standards, and technical articles for thermographers and NDT professionals. Our capabilities and expertise are without equal. Infraspection Institute's services are provided without marketing type since we do not manufacture or sell infrared equipment. Staffed by highly experienced, Certified Infrared Thermographers, we provide Real World Solutions for today's challenges.

ISACA (previously the Information Systems Audit and Control Association) is a world-wide association of IS governance professionals. The association focuses on assurance, security, and governance, providing globally recognized certification in assurance (Certified Information Systems Auditor), security (Certified Information Security Manager), and governance (Certified in the Governance of Enterprise IT).

The International Supply Chain Education Alliance's (ISCEA) mission is to be a single source for Total Supply Chain Knowledge through Education, Certification, and Recognition. ISCEA is the developer of internationally recognized certification programs of Certified Supply Chain Manager (CSCM), Certified Supply Chain Analyst (CSCA), Certified Lean Master (CLM), and Certified RFID Master (RFIDSCM).

**ISCEA** 

The Institute of Management Accountants(I-MA) is a professional membership organization headquartered in Montvale, New Jersey, United States. Present in Zurich, Switzerland; Dubai, UAE; Shanghai and Beijing, China, and Singapore, with a network of more than 90,000 professionals, IMA provides certification for internal financial management responsibilities, including planning, budgeting, business reporting, decision analysis and risk management.

LSBF has grown from a single college focused on professional qualifications to an international network delivering a wide range of degrees in partnership with a variety of schools and associations. The college has campuses all over the world including the UK, Singapore, and Canada. It is a member of Global University Systems (GUS), a growing network of 20 institutions and academic partners providing education to over 40,000 students worldwide.

LEORON Professional Development Institute DMCC is registered with the National Association of State Boards of Accountancy (NASBA) as a sponsor of continuing professional education on the National Registry of CPE Sponsors. State boards of accountancy have final authority on the acceptance of individual courses for CPE credit. Complaints regarding registered sponsors may be submitted to the National Registry of CPE Sponsors through its website: www.NASBARegistry.org

HCI delivers live and virtual educational content to human resource teams, talent management leaders, and business executives around the world to help them plan, build, and develop the workforce of the future. HCI focuses on innovations that help organizations get the maximum impact out of their most valuable asset: their people.

A not-for-profit, accredited institution with more than 5, 500 students at campuses across the United States and online, The Chicago School of Professional Psychology (TCSPP) is regarded as one the foremost learning institutions of its kind, offering accredited programs in psychology and behavioral health sciences.

The Digital Marketing Institute is the world's leading digital marketing and selling professional certification body with a growing network of over 80 education partners in 100 countries. A global standard in the digital marketing & social selling education, DMI has over 20,000 graduated professionals worldwide. Offices located in Dublin Ireland, Dallas USA and Brisbane Australia.

IAAP (International Association of Administrative Professionals) is a registered not-for-profit professional association for administrative professionals. IAAP strives to ensure individuals working in office and administrative professions can connect, learn, lead, and excel. IAAP focuses on preparing members for what matters now and what's ahead.

The Institute of Industrial and Systems Engineers (1948), world's largest professional society dedicated solely to the support of the profession, is an international, nonprofit association that provides leadership for the application, education, training, research, and development of industrial and systems engineering.
